7111 detection contacts

Reference: 7111
Product code: 20607111
EAN code: 8422463069073

Main characteristics

- Door open status detection contacts.
- Double contact.

More information

Technical Specifications

Latch rotation (degrees)	34
Latch opening (mm)	7.5
Latch adjustment (mm)	3
Impact resistance (Kg)	400
Number of operations	250000
Position characteristic	Reversible
Opening automatism	Not applicable
Unlocking lever	Not applicable
Opening voltage (V)	12 o 24
Minimum opening voltage (V)	11 o 21
Current type	DC
Coil resistance (Ohm)	53 o 155
Coil current (mA)	220 o 140
Max. working temperature (ºC)	60
Connection terminals	Insulated
Noise level (dB a 1m)	0
Electromagnetic compatibility	Directive 204/108/CE // Directive 2004/108/CE
Regulations	UNE-EN-1670 UNE-EN-14846:2010 UNE-EN-1229 : 2009
Protection degree	IP-22
Dimensions	20x31x67
